

# ULTIMATE SADDLE BAG SYSTEM (AR200)

Made of tough, water resistant denier nylon, trim and insulation.  
Available in red, black, forest green, or navy blue.

- (A)** 12"W x 12"H x 6"D    **(B)** 22"W x 11"H x 11"D

Alder Ranch's heavy-duty saddle bag system, comprised of versatile components, is designed to fit Western saddles and is perfect for trail riding and overnight pack trips. Made of a high quality, water-resistant denier nylon, these saddle bags provide easy care and cleaning and the roomiest capacity available. We dare you to overpack!

The large insulated **(B) Trail Rider's Side Bags** feature **(B1) quick-release buckles**, **(B2) water bottle holders**, **(B3) mesh pockets**, **(A4) adjustable/ removable tail strap** and **(B5) D-rings** to eliminate flopping. The undersides are fitted with **(B6) adjustable straps** for carrying picket stakes or fishing rods. The **(B7) compression straps** can be used to secure the Rancher's Top Pack, or a sleeping bag, tent, etc.

The huge **(A) Rancher's Top Pack**, which can also serve separately as a great travel bag, features an **(A1) adjustable/removable shoulder strap**, large **(A2) 'D' rings** to tie down to the centre section and saddle, **(A3) side mesh pockets** and an innovative **(A4) trail map flap** that can be unzipped and placed around a saddle horn with the **(A5) elastic loop**. It also doubles as an I.D. pouch when used as a travel bag.

Once you've stuffed your packs with all the necessities, you can be assured that they will be held in place. **(B8) Grommets** for tying down behind the saddle seat, and an **(B4) adjustable/removable tail strap** help to prevent side-to-side shifting, while the side bag **(B9) 'D'-rings** can be tied to the saddle to eliminate flopping.

Functional. Versatile. Durable. We're riding on the fact that you will find this truly is the Ultimate Saddle Bag System!
